Staff room

## Travel bursary for conference reports

PASS Maths would like to receive write-ups from delegates attending major teachers' conferences, with a particular emphasis on mathematics at GCSE and A-Levels.

The ATM (Association of Teachers of Mathematics) will be holding their 1998 conference at Ripon and York St. John College in Ripon, Yorkshire, from 6th to 9th April. From 4th to 6th April the University of Warwick will be the venue for this year's conference run by the MA (Mathematical Association).

The write-ups should be approximately 1200 words and written within 1 month of the conference. They would then appear in the staff room section of the next issue.

We could provide up to £100 as a contribution towards the delegate's travel costs.

If you are interested, please contact us by using one of the following methods:

1. by electronic-mail to "[PASS.Maths@damtp.cam.ac.uk](mailto:PASS.Maths@damtp.cam.ac.uk)",
2. by fax to (01223) 337918 or
3. by paper-mail to:
