Puzzle page

Clock Sudoku

Fill the rings with the numbers from 1 to 12 so that no number is repeated in any of the six rings, any of the six shaded double–wedges, or any of the pairs of opposite wedges. Have fun!

This puzzle was kindly provided by [Brainfreeze puzzles](#), a puzzle making company run by the mathematician Laura Taalman and the software developer Philip Riley, whose book [Color Sudoku](#) is available now.

The solution
